

Avoid Foreclosure

MSEFCU understands that in these difficult financial times it can be hard to make ends meet. If you are having difficulty making your monthly home loan payment, we're here to help. We may be able to help you avoid foreclosure. The important thing is to call us or come in and talk to the Real Estate Loan Supervisor or Loan Manager before the problem gets too big to resolve.

To determine the best possible way to assist you, we must review your financial situation. We may ask you to provide additional information if needed.

You can call us at the following toll free number to speak to the Real Estate Loan Supervisor or Loan Manager:

1-800-542-2345 or locally 209-383-5550 x181

Additional Assistance: The Department of Housing and Urban Development offers counseling for homeowners whose mortgage loans have become delinquent. This counseling could help you avoid foreclosure, and you are urged to seek it. The Department of Housing and Urban Development can be reached at 1-800-569-4287 or TYY 800-877-8339.
